

Florida's State of Preparedness:

A True Collaborative

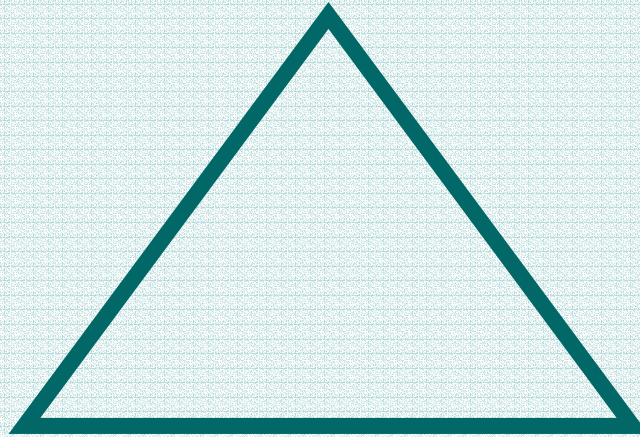

John O. Agwunobi, M.D., M.B.A., M.P.H.
Secretary, Florida Department of Health

“A True Collaborative”

Emergency Management

Domestic Security

Public Health

A Collaborative Infrastructure

- ❖ **County Health Departments**
 - ❖ **Emergency Operations Centers**
 - ❖ **Regional Domestic Security Task Forces**
- 

Collaborative Language

- ❖ **Incident Command**
 - ❖ **Joint Trainings**
 - ❖ **Shared Technologies**
- 

```
graph TD; IC[Incident Commander] --- Planning[Planning]; IC --- Logistics[Logistics]; IC --- Operations[Operations]; IC --- Administration[Administration];
```

Incident Commander

The diagram is an organizational chart for Incident Command. It features a top-level box labeled 'Incident Commander'. A vertical line descends from this box to a horizontal line. From this horizontal line, four vertical lines descend to four separate boxes arranged horizontally below. These boxes are labeled 'Planning', 'Logistics', 'Operations', and 'Administration' from left to right. The entire chart is set against a light blue grid background. On the left side, there is a decorative element consisting of two overlapping semi-circles, one in a darker teal color and one in a lighter teal color. At the bottom of the image, there is a solid dark teal horizontal bar.

Planning

Logistics

Operations

Administration

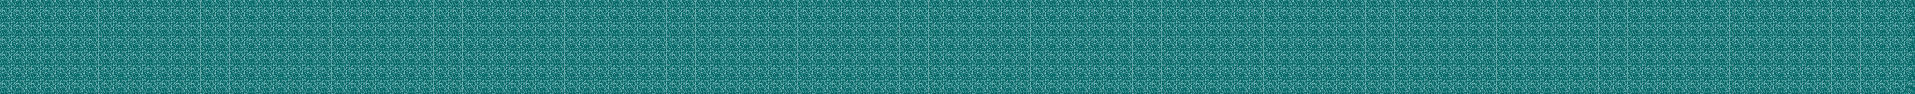

Collaborative Outcomes

- ❖ **“All-Hazards” Approach**
 - ❖ **Innovation**
 - ❖ **Coordination**
 - ❖ **Capacity**
 - ❖ **Flexibility**
 - ❖ **Efficiency**
- 

After Action Collaboration

- ✓ **After Action Reports**
 - ✓ **Employee & partner input**
 - ✓ **Client surveys**
 - ✓ **Focus groups**
 - ✓ **Developing corrective actions**
 - ✓ **Prioritizing implementation**
